# SCREAMING CARNAGE

## INTRODUCTION

HELLO-WELL HERES ANOTHER ANTI PUNKS-PUNK MANIFESTO FROM THE DEPTHS OF DARKEST MERIDEN. NOTHING HAS HAPPENED AROUND HERE AS USUAL- THE CHRISTOPHER DAVIS APPRECIATION SOCIETY STILL HAVENT SET UP A LIBERTARIAN CENTRE, WE STILL HAVENT FOUND A REALLY SUITABLE VENUE FOR GIGS, THE BANDS ARE ALL SHIT, APART FROM BIBLE OF SINS, SQUALID, ATTRITION AND NAPALM DEATH, I COULD GO ON FOR HOURS ABOUT WHATS GONE WRONG IN THIS HOLE.

A QUICK MENTION FOR "THE BIG IF"-A ZINE DONE BY SIMON OF BERSERK WHICH WAS PRINTED BY TERMINAL ILLITERACY-I CAN REALLY RECOMMEND IT. THANKS TO ALL THE BANDS THAT DECIDED TO REPLY-NO THANKS TO THOSE WHO DIDNT.

IM DOING A COMPILATION TAPE-IT SHOULD BE OUT IN 3 MONTHS AND SO FAR THE BANDS ON IT ARE NAPALM DEATH, CHRONIC OUTBURSTS, ACOUPLA OTHERS, DIVE AND NAKED. THERE SHOULD BE ABOUT 6 OTHER BANDS AS WELL.

ANYWAY HOPE YOU LIKE THE ZINE-IF YOU DONT THEN FUCK OFF YOU STUPID IMBECILE. SO KEEP ON SPIKING UP THAT HAIR, WEARING DOCS, LOOKING LIKE A MORON AND TALKING ABOUT PUNK. PUNK IS A ROTTING CORPSE, OK? -NIK-

THANKS AND/OR HELLO TO-STEVE (GREAT BLOKE YA KNO), GREG ILLITERATE, IVAN AND PEAT THE BANK MANAGERS, RICHIE SNAIL, BANDY (NAKED), KAYA AND WAYNE (Y-I-A), ANNE (APOSTLES), RODNEY WELAX (ALTERNATIVE), ROB (FACTION), DAYVE (VERBAL WARNING), ALIEN SINIX, ROGER #LIZA GEN (SCUM), SEAN PSYCHO, SIMON (BLUR COLLECTIVE/BERSERK/BIG IF), KEITH AND THE REST OF BIBLE OF SINS (I STILL CANT WORK OUT THE 'SYSTEMS SLIDE SHOW' DEDICATION!), RICHARD OF SVD/SENSE, AND ANYONE IVE FORGOTTEN LIKE DAZ MC, ROBBO, MILES OF TWISTED NERVE-HE REALLY CANNOT SPELL, I THINK ITS ATROCIOUS (SPELT IT WRONG-IT MUST BE HIS INFLUENCE)-DOES HE EVER CHANGE THAT BLACK SHIRT OR THOSE BLACK TROUSERS, JAKO DUSTBIN FOR PUTTING US ON HIS TAPE AND I MIGHT EVEN THANK SPIKE OF DISTRAUGHT. CRUCIFY THOSE PUNKS, MAAAA-NNN!!!

## CONSERVATION

Why is it that fanzines always rant about war and religion and anarchy and hardly ever talk about fox hunts or conservation.

Something must be done-every day the country is polluted-animals are killed or maimed on roads, in snares, shot at, while trees are pulled down with hedges so that a farmer can capitalise on his land to make more money to line his pocket. Farmers dont give a do and neither do a lot of so called intelligent punks-ask at the centre how many believe in conservation and you wont get much of a response.

We here at the anti-punk punks collective are trying to do a good deed here-we are involved in tree planting groups (TO REPLACE THE ONES USED IN THE PRINTING OF THIS ZINE! !!!NEXT ISSUE SHOULD BE ON RECYCLED PAPER) and we would like to see other punks thinking about these problems.

LOOK AFTER  
THE WORLD  
NOT  
YOURSELF

The animals are being killed every day-ever seen a fox in a snare-its a much worse sight than a fox hunt.

Both Earth Concern and Friends of the Earth are taking positive action to help the wildlife and their habitat. Birmingham F.O.E. have conducted a number of campaigns like a pushbike campaign and the result of one issue, about a pwr at Sizewell which was conducted with anti nuclear groups, is a court case.

I dont have addresses as Ive lost my Earth Concern leaflets and the F.O.E. leaflets only give the Brun groups address but Earth Concern seem more interested in the countryside while F.O.E. take in many topics like lead in petrol and waste.

SUPPORT AND SURVIVE...NOW!!!!

# NEW MATERIAL

THE APOSTLES EP SHOULD ALSO BE PUT OUT SOON. THERE SHOULD BE 4 SONGS ON IT

THE ICONS OF FILTH ARE RELEASING A TAPE ON CONFLICTS MORTARHATE TAPE LABEL. IT WILL HAVE 10 SONGS AND WILL BE OUT IN JANUARY. IT WILL BE CALLED 'NOT ON HER MAJESTIES SERVICE'. IT ALSO INCLUDES A BADGE, POSTER AND BOOKLET AND WILL RETAIL FOR £1.50.

## ATHERSTONE

ATHERSTONE is a small mining town near Coventry. It is the only place around Coventry where anything ever happens. There are gigs about every 4 months where 4 or 5 bands play. The bands from Atherstone that are still operating are Bible of Sins and Lamella Monella. Hiroshima split up recently but there may be a band forming from the wreckage. There are also a number of other bands. Corrupt Youth and Squalid come from other areas but tend to play there. Soon Verbal Warning will be playing at the Miners Club with Bible of Sins, Napalm Death, Squalid and others. Other gigs are planned so we hope you will support the place you lazy bastards.

BLOODY AMAZING, EH?

I have recently heard some really cool new singles. Records I can recommend to you include the album 'Friends' by Shalamar, and new releases by Evelyn King, Sharon Redd and there might be a new Shakatak single out soon. Old singles that still sound good, in my own opinion, are 'There it is' by Shalamar, 'COH LA LA LA' by Kool and the Gang.

Other good records include Scritti Politti, The Diagram Brothers, Tears For Fears, Society System Decontrol, The Beastie Boys and 2 Fingered Approach.

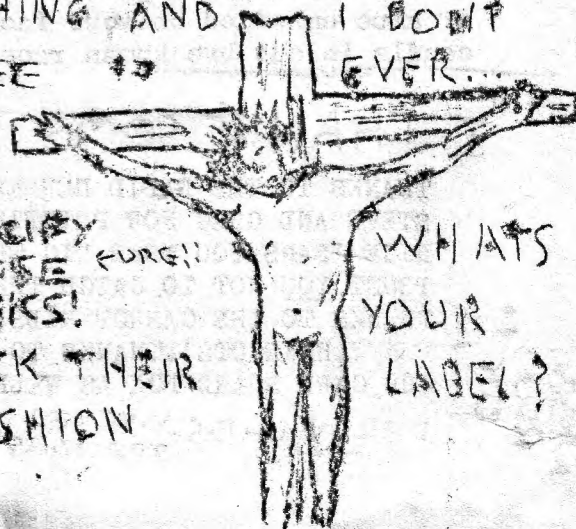

SOCIAL DISORDER TAPES HAVE ANUMBER OF TAPES AVAILABLE INCLUDING ORGANIZED CHAOS LIVE-£1, HAGAR THE WOMB-PIED BULL-£1, THE 'SPIRIT OF AN AGE OLD ANTHEM' TAPE (THEY ARE NOW THE RETAILORS) AND 'SUBVERSIVE ELEMENTS' CONTAINING 2 SONGS EACH BY THE SYSTEM, THE SUBHUMANS, THE SINYX, NAPALM DEATH, A-HEADS, XPOZEZ, ORGANIZED CHAOS, COLD WAR, PSYCHO FACTION, AND APP BRIGADE. IT COSTS £1.35 FROM ANDY BUT IVE FORGOTTEN HIS ADDRESS SO RING DEVICES 3652 AND HE WILL GIVE YOU HIS ADDRESS? ALSO AVAILABLE IS AZINE AND INFO ON HIS BAND ANAEMIC.

Punk is a Rotting Corpse  
punk is for people who cant  
realise, that fashion is one  
of the systems lies, your  
fucking punk fashion isnt the  
real you, it forces you to do what  
they want you to. what do you do  
to defy the system, nothing that  
youve got to show them, your  
mentality is shown in clothes you  
wear, talk about your 'anarchy' but  
you dont care. punk is fashion  
fucking realise it, break out of  
their conformist shit, accept people  
as what they really can be, there  
is no need for blind conformity.  
fuck their punk fashion and their  
behaviour rules, you are not the systems  
tools, punk is a rotting corpse, punk is a

# HELP US PERSEVERE WITH YOUR BLIND PRIESTS

organised religion,

TO ME RELIGION IS REAL SHIT BUT ITS UP TO PEOPLE IF THEY WANT TO BLINDLY FOLLOW AN UNFOUNDED FAITH. BUT JESUS IS CRITICISED WHEN HE WAS REBELLING AGAINST THE STATUS QUO AND AUTHORITY. IT IS HIS FOLLOWERS THAT HAVE MADE HIM INTO JUST ANOTHER INSTITUTION. HE WAS AN ANARCHIST AND PACIFIST IN PRACTICE AND I CAN RESPECT THAT. ALSO THE CHURCH HELPS MANY UNFORTUNATE THIRD WORLD COUNTRIES.

holy wars, holy slaughter

AT THE SAME TIME THE CHURCH HAS BEEN RESPONSIBLE FOR MANY OF THE WARS THAT THIS EARTH HAS HAD TO TAKE. INNOCENT PEOPLE BUTCHERED ON THE BASIS OF AN UNPROVEN FAITH IS POINTLESS AND STUPID. HOWEVER? JESUS WOULD HAVE CONDEMNED THIS.

Moral ... orisy

THE BLIND FOLLOWERS ARE THE REAL CULPRITS- THEY DO NOT BELIEVE IN THE TEN COMMANDMENTS. HOW MANY RESPECT THEIR FELLOW MEN? HOW MANY DO NOT COMMIT MURDER? JESUS BELIEVED THAT IF YOU THOUGHT YOU'D LIKE TO KILL SOMEONE, IT WAS AS BAD AS THE ACTUAL DEED. THE POPE LIVES IN THE LUXURY PALACE IN ROME WHILE CHILDREN DIE OF MALNUTRITION IN POOR COUNTRIES. YOU'RE TELLING ME THAT'S FAIR?

I would like your views on this subject- please write.

KAYA says-Our slogan is 'A Right to a Painless,Peaceful Life'.We use the symbol of the Elephant because a white Elephant has the same meaning as a white dove, and it's also the symbol of Asia.Asian women are very oppressed and I like to put across the way women are oppressed.In the next month 'Bullshit 2'will be out and we are on it doing 'Power and the Glory'.We are also going to do a tape in the summer.

Handwritten: *PTB*

Basically we are an anarchist punk band and have many views on many subjects, we are anti ignorance, anti state, anti mind numbing state control e.g. religion, work, media. 3 of us are vegetarians, we are against all forms of violence, from children fighting amongst themselves to atomic warfare because violence is looked on as normality as something which happens because we are naturally violent, but we see violence as something that simply is used to keep people in fear through strong control and through fear of mass annihilation, all weapons are war. We are anti nuclear power because no matter what the nuclear energy committee say it is unsafe. Living up here near Windscale Nuclear Plant we are continually shit on as we can't say anything as there aren't many people up here. People die of cancer up here all the time but no one cares they shut their eyes in then we die, they won't say anything because the nuclear power plant employs more people than any other local place.

SEAN SENT ME A LOT MORE STUFF BUT I DECIDED NOT TO INCLUDE IT BECAUSE THEYVE  
ALREADY BEEN IN LOADS OF ZINES AND I THINK THIS ZINE IS ALREADY FILLED FULL OF  
SHITTO ANARCHIST BANDS.IM SORRY ABOUT THAT BUT IVE BEEN COLLECTING STUFF FOR  
AGES NAND I PERSONALLY TOTALLY DISLIKE ANARCHY AND A LARGE MAJORITY OF PUNK  
BANDS.

PUNK IS DOUBLE DEAD!!

## VIEWS

Ronald Reagan is threatening to cut off trade sanctions if a firm supplies parts for a Russian pipeline. He is then along with most other people disgusted at the military regime in Poland, funded by the Russians. However when Russia has a bad grain crop the USA sell the Russians very cheap grain. So instead of the Russians spending the money on improving their agriculture, they can spend it on weapons and funding the Communist States. These two faced politicians make me sick and in my view THEY MUST BE STOPPED.

## THE ALTERNATIVE TO LIFE

fashion is a tool used to divide  
all people, to confine them and  
all threats to anything solid  
are destroyed.

within the confining walls  
of pseudo reality implanted in  
your mind from conception, the  
restraining stigmas conveying  
emotional distrust are firmly  
embedded. no one wishes to be  
alienated, bigotry and mental  
blocks, however, force people  
to be. society is based on  
manipulation, the gradual  
separation of reactionary  
groups. Is there an Alternative  
to Life?

I was disgusted while in Birmingham the other day at human nature. There was a disabled man walking along and all the hard men were showing off to their slut girl friends and mates while taking the michael out of him. OK so when I was a kid I laughed at spastics but its not funny and I realise that. The bloke obviously enjoyed living and why should he be called names just because he happens to have a slight fault in his brain. Its all down to systems stereotyping again. He doesnt feel, probably, that he is different so why treat him like an alien? Who really are the defective in mind??????????????????

CONFLICT-SSSSSSHHHHHIIIIITTTTTT!!

After December The Sinyx should play up here in Birmingham, along with Napalm Death, X-S (see Bullshit 2), Bible Of Sins and maybe someone else. It will cost the Sinyx £80-100 if they bring a P.A. or £30 if they dont.

If this gig goes well then others may play, like The Mob, AntiSect, and other bands that are popular.

Yo die in the darkness

)-(A.O.H.)-(82)-

I am scared of people in the street. We are  
all told from an early age not to talk to  
strangers, strange men, we are unable to  
trust each other, we are unable to communicate.  
We keep to ourselves, protecting our possess-  
ions. Staying at home each night in front  
of our T.V.s-watching the titillation of  
Benny Hill (result rape?), the violence of  
cheap american cop shows (street violence).  
The communities have split up-the urban  
decay has set in. Women can no longer walk  
the streets at night-NOT because men are  
evil or that there are not enough police  
but look for the root cause and the problem  
lies at the doorstep of different things.  
The way men and women are taught to act  
-man the dominant, macho, girl fucking  
stereotype. Woman the weak and submissive  
ready to be fucked, ready to be raped.

The sight of a 'bird' tottering down a  
dark, empty side street in her high heels,  
unable to run, is an invitation to the male,  
stereotype hungry wolf.

When we talk of fearful darkness we dont  
mean we want more street lighting-we want an  
alternative society, a more natural way of  
living. CO-OPERATION NOT COMPETITION-AOH 82

THE TAPE ALSO COMES WITH A  
BOOKLET, AND A NEW T SHIRT, OF

## ST. VITUS DANCERS

Dave Mohican-bass, Tracey Toulouse-  
vox, B.D. Eyes-guitar, Sticks-drums.

S.V.D. are an exciting new pop  
band from sunny Manchester. They  
have 4 exciting young(ish) people  
playing for them and represent  
the best of Britain's new  
rockabilly bands. Their singer,  
Tracey "Elvis" Toulouse, styles  
herself on that legendary singer-  
the King himself. Bill Haley's son  
B.D. Eyes comes in fast and loud  
on that ol' guitar, and the 2 new  
members-Big Dave Mohican on bass  
and Sticks, known as "Sticks" to  
her friends, keep the rockin'  
beat goin'!!

Oh alright then here's the truth!!  
We're not a really a rockabilly  
band we were only fibbing, I bet we  
had you fooled though, didn't we,  
eh? I dont know what type of  
music we play, anything to  
everything, but whatever it is  
it's bloody good. Right, pal!!?!

P.S. think for yourselves  
that really fucks the  
system! (A)

I  
apologise  
for that...

NEWS NEWS NEWS NEWS NEWS NEWS  
UNFORTUNATELY I THINK ST VITUS  
DANCERS HAVE SPLIT UP BECAUSE  
THEIR SINGER DID NOT SHOW UP  
ENOUGH COMMITMENT. HOWEVER THEY  
MAY REFORM. THE TRICK OF  
BULLSHIT TWO IS WELL WORTH  
LISTENING TO ANYWAY. R.

### RELIGION

Loads of people seem to ask us about our views on religion. This is probably 'cos many of our songs deal with the subject!—although obviously different aspects. Opinions on religion run high in the band and are one of the main causes of arguments cos our views are all different. Anyway here are nine...

It is all too easy to condemn "religion" but what exactly is religion—if by this you mean for example the teachings of Jesus Christ then I would not be totally opposed to religion, but if you meant the doctrine of, for example, the Christian Church of England—I would express my total aversion to religion.

What Jesus said and what the church says, supposedly on his behalf, are 2 entirely different things. It's like a hip NME writer reviewing a gig that he didn't even attend.

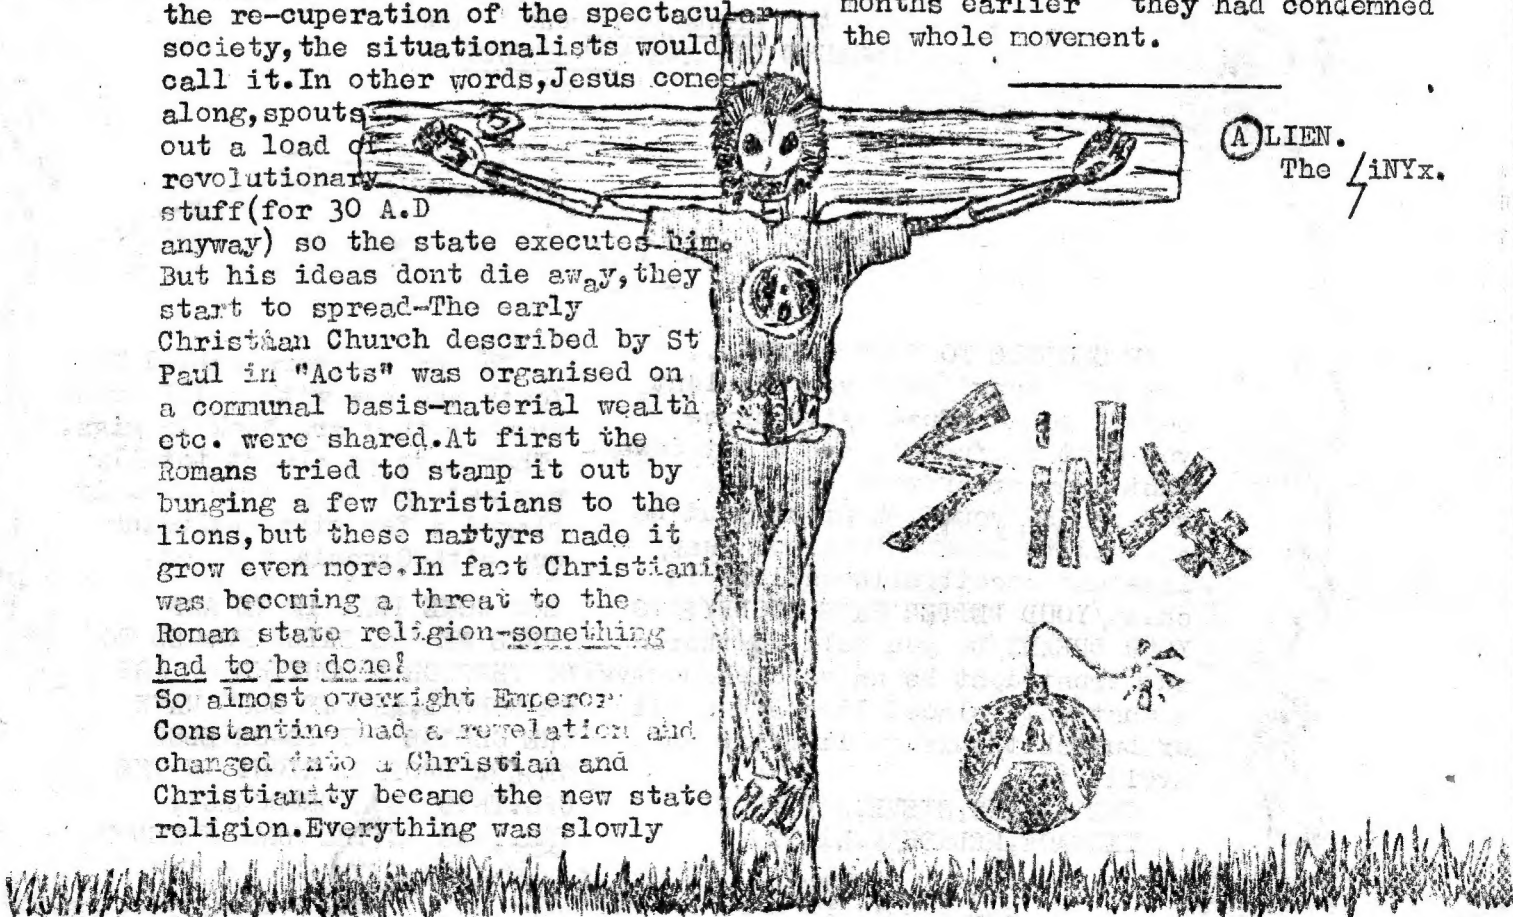

I'm afraid it's the classic case of the system re-establishing itself—the re-cuperation of the spectacular society, the situationalists would call it. In other words, Jesus comes along, spouts out a load of revolutionary stuff (for 30 A.D. anyway) so the state executes him. But his ideas don't die away, they start to spread—The early Christian Church described by St Paul in "Acts" was organised on a communal basis—material wealth etc. were shared. At first the Romans tried to stamp it out by bunging a few Christians to the lions, but these martyrs made it grow even more. In fact Christianity was becoming a threat to the Roman state religion—something had to be done!

So almost overnight Emperor Constantine had a revelation and changed into a Christian and Christianity became the new state religion. Everything was slowly

changed around—priests, bishops and monks were financed and protected by the states of Europe and therefore said the right things that the kings and ministers wanted to hear. As long as it kept the peasants in place it was O.K. Obviously this is a very brief and simplified critical history of Christian religion but the whole sordid episode has continued—e.g. the way the Tories criticised the Church of England for not singing "Fight the good fight" at the Falklands Thanksgiving.

Basically what I am saying is that anyone who comes along and threatens the state has his/her ideology taken over and sold back to the people in a "socially acceptable" form, another example is Punk—the way the revolutionary aspects were removed and then the Capitalists started selling bondage strides, Clash L.P.'s etc. when only months earlier they had condemned the whole movement.

BANDY WRITES:

"We started in 1979 but since then we've got a new lineup. The four people in the group have all got their own beliefs and points of view, so it would be unfair for me to make a statement on their behalf but the lyrics to the songs show what we do all believe. At the moment there are no copies of the tape but we are getting some done. The gigs in Holland started getting set up about 3 years ago through a friend who lives there, and everytime we go we meet new people and they help setting up gigs with us."

THE NAKED SEEM TO BE A REALLY GOOD GROUP AND ALSO THEY HAVE INTEGRITY. BY THE TIME YOU GET THIS SOME MORE TAPES SHOULD HAVE BEEN DONE AND THEY ARE A QUID EACH. IF YOU WANT TO WRITE THE ADDRESS IS BANDY, 194 ST. GEORGES AVENUE, SHEERNESS, KENT (SAE PLEASE)
